Critical Information Summary:
NodeLine Biz

About the Service
Internode NodeLine Biz is a traditional 'landline' telephone service, available in most locations across Australia. It uses the Telstra Wholesale analog telephone service access network. Bundle with either Easy Broadband Biz or Easy Reach Biz and enjoy the simplicity of one supplier and one bill for both your broadband and phone.

Minimum Term
A minimum term of one month contract applies to NodeLine Biz services.

Early Cancellation Fees
- No lock-in contract – none. You can cancel at any time.

Plans

Plan Name	Monthly Charge	Maximum Monthly Charge	Total Min. Cost
NodeLine Biz	$30	$30 + call costs + call packs + any selected optional features	$208.95

- NodeLine Biz must be bundled with either Easy Broadband Biz or Easy Reach Biz. The Total Minimum Cost represents one month of NodeLine Biz service rental (plus the NodeLine Biz transfer fee of $0), and one month of Easy Broadband Biz plan rental (plus the standard ADSL2+ setup fee of $129).
- Call charges, call packs, and optional features are additional and setup fees may apply

Call Rates

Call or Message Type	Description	Call Costs
Local Calls	Calls to standard fixed line telephone services in your local area	Included
Standard National Calls	Calls to standard fixed telephone services in Australia	Included
Calls to Australian Mobiles	Calls to standard mobile telephone services in Australia	$0.44 flagfall + $0.37 per minute
International	Calls to phone services outside of Australia	$0.44 flagfall + from $0.15 per minute
13 & 1300	Calls to 1300 or 13 numbers within Australia	$0.35 untimed

- Timed charges for Standard National Calls, Calls to Australian Mobiles, and International calls are assessed on a per second basis, with a minimum assessed duration of one minute.
- The International rates vary depending on the country/destination you are calling, and these are listed (along with the charges for other call types) on our website **www.internode.on.net/bizbundles/nodeline_biz/call_rates**

Call Packs

Call Pack	Monthly Cost
Australian Mobile Call Pack Includes all your calls to Australian mobile numbers	$20.00
International Call Pack Includes all your calls to landlines in our top 20 international destinations	$10.00

Optional Features

Feature	Description	Monthly Cost
Voicemail	A virtual answering machine with remote access and no usage charges	$6
Incoming Caller ID	See the phone number of incoming calls whenever they are sending their Caller ID	$6

- NodeLine Biz also includes a number of useful features with no monthly charge (some features have a usage charge). This

Further information: www.internode.on.net/bizbundles/nodeline_biz

includes Call Forward; Call Back Busy; Call Return; Call Waiting; Three Way Chat and Outgoing Caller ID.

- With Nodeline Biz, the 'silent number' option is replaced with your choice of a basic listing in the business telephone directory at no additional charge.
- We do not offer priority assistance, nor support for medi-alert services and monitored alarm systems. Priority assistance is offered by Telstra for people who may be reliant on a telephone service because of a serious medical condition. If you have a medi-alert or priority assistance service or believe that you are eligible, please consider this before proceeding with your order.
- We do not provide support for teletypewriter equipment, and calls to 19/1900 Premium Rate services are not available.

Setup Charges

Feature	First Service	Additional Services
Transfer an existing phone service Most existing phone services can be transferred to NodeLine Biz as a simple churn. There is currently no charge to churn to NodeLine Biz.	$0	$0
Line Activation For premises that already have a physical inactive phone line with dial tone - excludes brand new houses and apartments. This normally takes 2-4 working days	$59	$59
Telephone line connection with technician visit For premises with a socket and line, but no dial tone. Normally takes 5-7 working days. Cost may vary depending on whether a physical connection is also required.	$99	$75.50
New line installation For new homes, homes with no history of phone activity, or pre-existing homes that need additional lines.	$99	$179

- Additional charges apply for cabling beyond the first socket or main distribution frame, trenching, or complex installations. Further details are available at **www.internode.on.net/nodeline_biz/transfer**.

Standardised Cost Information

A standard national mobile call incurs a flagfall of $0.44 and a per minute rate of $0.37. A 2 minute national mobile call will cost $1.18.

Requirements

- NodeLine Biz is only available when bundled with either a Easy Broadband Biz or Easy Reach Biz ADSL plan. You will require a standard telephone handset (approved for use in Australia) to use NodeLine Biz.
- You will require a standard telephone handset (approved for use in Australia) to use NodeLine Biz.
